

## **Welcome to The Greatest Show!**

As we gather for our annual recital, I want to take a moment to express my deepest gratitude to all of our dance families.

This season has been a year of growth, change, and new beginnings as I stepped into the role of owner of The Dance Connection. I am incredibly thankful for the trust you have placed in me and for the support, kindness, and encouragement you have shown throughout this transition. Your patience and belief in our studio have helped make this journey a smooth and meaningful one.

While we continue to honor the traditions that have made this studio such a special place for so many years, we are also excited to create new memories and traditions together. The heart of this studio remains the same—a place where dancers are encouraged, challenged, supported, and loved.

I would also like to recognize our amazing staff. We are blessed with a team of talented, creative, and dedicated teachers who truly care about their students. Many of them grew up right here in this studio, experiencing firsthand the friendships, lessons, and sense of belonging that dance can provide. It is our hope that your dancers will find that same comfort, safety, confidence, and lifelong friendship within these walls. Dance is about so much more than steps, costumes, and performances. It is about family. It is about tradition. It is about learning perseverance, building confidence, celebrating successes, and supporting one another through challenges. The relationships formed here often last far beyond the years spent dancing. Tonight, we are excited to share all that our dancers have accomplished—not only on the dance floor, but as individuals throughout the year. We are proud of their hard work, dedication, growth, and the unique light each of them brings to our studio family.

Thank you for being part of this journey and for helping make The Dance Connection such a special place.

Now, sit back, enjoy the performances, and welcome to **The Greatest Show!**

With gratitude,

**Miss Anne**
